

## **Register Your Louisiana College Application Month Event!**

The Louisiana Office of Student Financial Assistance (LOSFA) along with key education stakeholders in the State of Louisiana has collaborated to develop and implement Louisiana College Application Week.

Please identify which day during the month of October you are planning to invite admissions professionals to your high school campus to assist students and parents with college applications. This information will be shared with LCAM partners including admissions offices to facilitate coverage of the events. If, due to large student populations, you are planning more than one day on which students will be in the labs to complete applications, please identify each day below. Space is available to identify up to 3 dates. Complete this form and submit it to Kristen O'Neil at [Kristen.o'neil@la.gov](mailto:Kristen.o'neil@la.gov) by September 10, 2014.
